Corporate Floors Expands Operations to Arizona

(August 8, 2016 – Grapevine, Texas) -- Corporate Floors, a national flooring product and services company with offices in Houston, Austin, Dallas/Fort Worth, and San Antonio, announced today its expansion into Arizona with the opening of its Phoenix metro area, CFStoneCare location.

The new branch of CFStoneCare, a division of Corporate Floors, brings the company's 20 years of experience in commercial flooring and hard surface care experience to the Arizona market.

Leading the branch is seasoned stone flooring expert Jason Johonnesson, chief solutionist for CFStoneCare. A stone restoration professional for two decades, Johonnesson has been a trusted stone flooring advisor for not only some of the most prominent buildings in the country but also many of the leading flooring maintenance companies themselves. Among CFStoneCare's recent projects are the San Antonio Airport, Abilene Convention Center, and 2.5 million square feet of terrazzo polishing at the Dallas/Fort Worth International Airport.

"We are passionate about helping our clients protect their investment and keep their natural stone and terrazzo floors looking beautiful," said Thomas Holland, Corporate Floors founder and president. "We have more than two decades of experience in Texas, and are thrilled to now bring that expertise to the Valley of the Sun, where natural flooring is such an integral part of the architecture. Our in-house team of craftsmen look forward to applying our proven techniques to transform granite, limestone, marble, travertine, terrazzo and other natural surfaces back to their original appearance"

CFStoneCare's Phoenix branch is located in Chandler, AZ at 602/529-2693 or toll-free at 800/757-7233.
