CHAIR CARE

# STAND UP FOR CHARITY

## A clean chair shows you care.

**Our goal is to donate \$10,000 to The GateHouse, and we need your help.**

APEX will donate \$1 for every chair and \$2 for every workstation cleaned\* in the month of August. But we are not stopping there, we are going to double the final total by matching funds raised through this campaign.

Dingy chairs and furniture panels damage more than just air quality—morale suffers and so does your company's image. Office chairs are one of the most visible and touched item in a workspace. They are also covered in trapped dust, dead skin, oils and other contaminates.

**Contact APEX to schedule your chair cleaning to support Stand Up for Charity.**

\*Every order placed (executed or scheduled) in the month of August 2017 will be counted towards our goal.

### What is the Gatehouse?

The Gatehouse community has 96 apartments and includes a Washington Community Education Center with an Event Center attached, two in-neighborhood Advisor Centers, General Store, Keeps Boutique, Hope Chapel walking trails and commercial space. This community, which allows members to stay up to 2½ years depending on their individually tailored program, provides safe refuge and creates the environment for women and children in crisis to walk the path toward permanent change.
